

# FLAVOR FORAYS

*Thank you notes from Portland Potager 2023 participants.*

Beverly and Barbara,

I can't thank you enough for just an amazing time. It was great seeing some old friends and making new friends. I am sure that I speak for the entire group when I say that each and every stop was incredibly memorable. I learned a great deal and have picked up some ideas that I will certainly be bringing back to our organization.

Thank you so much and I look forward to seeing you again soon,

Beverly, Barbara,

Thank you so much for all the planning and efforts you put into this wonderful journey, lots of us will remember these unique and inspiring places we visited and experienced. Thank you, Jay, and team Carlyle, for giving me the opportunity to be a part of this. I hope to see you soon at the Carlyle

Beverly and Barbara,

Thank you so much for your hospitality. The trip was great as was the company. Thank you for showing me Portland and the tremendous work that it took to put together. I did go to Sammich PDX and tried Melissa's pastrami sandwich, delicious and a quick stop to Toki for Peter's wings. Hope that you have an uneventful return trip and thank you again!
